**Passenger Sign on NEW RULES.** Previously, passengers aged 13 and older were permitted in cars. **The new rule now requires passengers to be 14 years or older** for all cruise sessions on track. The Extreme Cruise session specifically required a minimum age of 14, so to keep things consistent with our current system, we have increased the age requirement across the board to 14 years. I apologize to those 13-year-olds who were eagerly awaiting their first chance to participate at Powercruise. However, this change was necessary to avoid setting a blanket minimum age of 18, which would have affected even more people. So, you might see we have now made kids 13 and under are now FREE.
